## How to Choose Safe Casino

#### Check whether...

- ... gambling operator is licensed by a regulator such as eCogra, TST, etc.
- ... the casino has reputable software provider
- ... online casino offers good variety of popular payment methods
- ... casino terms and conditions are stated clearly especially those imposed on the bonuses
- ... casino provides 24/7 customer support service
- ... online casino has decent gaming variety

## How to Choose Casino Bonus

- Don't be fooled by big numbers and huge percentages
- Read carefully terms and conditions
- Pay attention to the wagering requirements imposed on the bonus
- Look attentively at the list of the games incorporated in the bonus conditions
- Keep up with the evidences of your transactions at online casino
- Do not focus on sign-up bonuses or free casino cash giveaways
- Make sure the casino has a loyalty program with cash-backs and frequent deposit incentives

## Casino Games House Edge

Game	House Edge
Craps (double odds)	0.60%
Blackjack	0.80%
